

CANADIAN WOMEN'S HOCKEY LEAGUE

Dear Prospective CWHL General Manager,

This is a very exciting time for women's hockey! Our league is going through a bit of a restructuring phase and we are in the midst of attempting to structure the league to allow the best players in the world a place to play and prosper.

Our board of directors is creating a plan that will initially create a five team league with a team in Montreal, a team in Boston, and three teams in the Greater Toronto area.

To have your name entered into the pool for General Managers for one of the three Toronto teams, Montreal or Boston teams, please have your name added to the CWHL General Manager list along with a resume and more details will be emailed to you.

Please email Brenda Andress, cwhled@owha.on.ca the CWHL's executive director with the following info...

Full Name: _____

Email Address: _____

Phone Number: _____

Current city of residence: _____

Area of preference to Manage:

Montreal ___ Boston ___ Toronto___ Burlington ___ Brampton___

Please attach a detail resume

The CWHL will be in touch with an email with more details when they become available toward the end of June.

Thanks again for your interest in the CWHL and we look forward to receiving your resume for General Manger in our league by June 16th, 2010.

Sincerely,

Brenda Andress
CWHL Executive Director
